Quarterly Cash Flow Report to 31 December 2015

Attached is Adherium Limited's quarterly cash flow report (Appendix 4C) for the period to 31 December 2015.

The cash flows presented are in line with the Company's expectations for the quarter as it continued to expand its capability through new key appointments, facilities and research and development resources. Cash flows from customers reflect a 30-60 day credit term which spanned the period end.

Highlights in the period included:

- The appointment of Dr Bill Hunter to the Board of Directors;
- 31 clinical projects underway around the world taking the number of clinical projects involving Adherium's technology to 63, and involving the deployment of 89,000 devices over time;
- Receipt of the final certification necessary for clearance to market in China; and
- Grant of eight new registered designs in Australia and New Zealand.

Adherium's Interim Report containing more comprehensive results information will be published at the end of February 2016.

Yours faithfully

Rob Turnbull

Joint Company Secretary

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. **Accounting Standards.** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
