

Anaconda Mining is accepting resumes for the following Site Service Helper position at Anaconda Mining's Point Rouse site. The successful candidate will join the Site Services team in a role with a wide range of duties that service various departments at the Point Rouse Site. The individual will report directly to the Site Services Superintendent, and must display sound decision-making skills, dependability, and the ability to work within a team structure. They must be physically fit and capable of sometimes strenuous lifting and shoveling. Candidates must complete the training modules associated with the entry level Mill Tasks, as well as external training courses. The successful candidate will be subject to a 3-month trial period and their performance will be reviewed at the end of this period to determine if they will retain the position.

**Job Description:**

**Available Position:** Site Services Helper

**Duration:** Permanent

**Location:** Point Rouse Site

- Ability to work independently
- Knowledge of general mathematical concepts
- Good verbal and written communication skills
- Submit Drivers Abstract and Criminal Record Check

**About Anaconda Mining Inc.**

Anaconda is a TSX and OTCQX-listed gold mining, development, and exploration company, focused in Atlantic Canada. The company operates mining and milling operations in the prolific Baie Verte Mining District of Newfoundland which includes the fully-permitted Pine Cove Mill, tailings facility and deep-water port, as well as ~11,000 hectares of highly prospective mineral lands including those adjacent to the past producing, high-grade Nugget Pond Mine at its Tilt Cove Gold Project. Anaconda is also developing the Goldboro Gold Project in Nova Scotia, a high-grade resource and the subject of an on-going feasibility study.

**Safety, Integrity, Reliability**

*Anaconda Mining Inc. is an equal opportunity employer.*

*At Anaconda, we have a clear vision: to be the place where a **diverse mix of talented people want to come, to stay, and do their best work.** Diversity is more than a commitment at Anaconda—it is the foundation of what we do. We are fully focused on equality and believe deeply in diversity of race, gender, sexual orientation, religion, ethnicity, national origin, and all the other fascinating characteristics that make us different.*
