- Possess strong leadership and coaching skills
- Superior interpersonal, teamwork, and communication skills
- Ability to work individually and as part of a team

**About Anaconda Mining Inc.**

Anaconda is a growth-oriented, gold mining and exploration company with a producing project called the Point Rousse Project and four exploration/development projects in Atlantic Canada including the Tilt Cove Property in Newfoundland. Anaconda is also developing its Goldboro project in Nova Scotia.

As the only pure play gold producer in Atlantic Canada, Anaconda Mining is turning the rock we live on into a growing and profitable resource. With a young and motivated workforce, innovative technology and the support of local suppliers, Anaconda is investing in the people of Newfoundland & Labrador and giving back to the communities in which we operate – building a better future for all our stakeholders, from the ground up.

**Safety, Integrity, Reliability**

Anaconda Mining Inc. is an equal opportunity employer.

*At Anaconda, we have a clear vision: to be the place where a **diverse mix of talented people want to come, to stay, and do their best work.** Diversity is more than a commitment at Anaconda—it is the foundation of what we do. We are fully focused on equality and believe deeply in diversity of race, gender, sexual orientation, religion, ethnicity, national origin, and all the other fascinating characteristics that make us different.*
