

Financial Tearsheet

Company Overview

Oroplata Resources, Inc. (OTC Markets: ORRP), is a lithium resource exploration and development company. On June 1, 2016, we entered into a Mineral Claim Purchase Agreement with Plateau Ventures LLC., a Utah corporation ("PVL") to acquire five hundred (500) lithium mineral claims, totaling 10,000 acres, called the Western Nevada Basin, situated in Railroad Valley in Nye County, Nevada (the "WNB Claim"). In the second half of 2016, we engaged experts to evaluate the region and the WNB Claim to target on-site exploration efforts and determined that 304 claims of the WNB Claim were appropriate for the Company's planned exploration, which we expect to begin in the first half of 2018.
